

## Career starter SAP Logistics Consultant (f/m/d)

### Description

### LET'S ROCK THE STOCK!

Would you like to start a varied, challenging and successful career as an SAP EWM Rockstar? Then join us on tour! We are looking for team players with an innovative mindset who also want to take on responsibility. Right from the start, you can contribute and expand your knowledge and develop professionally and personally. Become part of our band!

### Our genre

We have been revolutionizing the warehouses of well-known companies with our SAP logistics concerts since 1999. We are absolute artists on the instruments SAP EWM, SAP MFS, SAP WM and SAP S/4HANA. We enthusiastically perform our repertoire, which includes classic SAP EWM implementations as well as migration projects, for example from SAP WM or SAP EWM SCM. But our setlist also includes songs on warehouse automation with solutions such as AutoStore. And not to forget – our encore: with our diverse add-ons for optimizing warehouse processes, we ensure the perfect sound in the warehouse.

### The life of the band

- **Teamwork** is very important to us, we stick together and support each other.
- We have an **open-door culture** and **flat hierarchies**.
- **Short communication channels** enable quick and uncomplicated decisions in the interests of our customers.
- Our band members have **excellent opportunities for development** and **freedom** in an exciting and **dynamic project landscape**. This is also ensured by our globally oriented intralogistics concerts.

### Your appearance

As an aspiring SAP logistics consultant, you will be a fundamental part of our team right from the start. As a young professional, you will be actively involved in projects from an early stage and contribute to the success of the project. Your repertoire will include

- Active project support throughout the entire project duration: from conception, implementation and training to rollout and the hypercare phase
- Analysis of business and technical customer requirements in connection with the SAP solutions EWM, MFS, Stock Room Management and S/4HANA
- Design, mapping and operational implementation of business processes and functions
- Prompt assumption of topic responsibility and sub-project management

### Hiring organization

LogiPlus Group

### Beginning of employment

as of now

### Duration of employment

Unlimited

### Industry

SAP and logistics consulting

### Job Location

Torfstecherring 27, 67067, Ludwigshafen

### Working Hours

Flexible working time model, remote work

### Date posted

24. June 2024

## Your instruments

- Knowledge in one of the specialist areas of supply chain management, production or logistics
- IT affinity, possibly initial experience in dealing with SAP solutions (ideally in the logistics environment)
- Ideally training or studies in the fields of logistics, business informatics, engineering or business administration
- Very good knowledge of German and English
