

SAP EWM Project Leader / Manager (f/m/d)

Description

LET'S ROCK THE STOCK!

Are you an expert in SAP project management and enjoy taking responsibility for the implementation of exciting SAP EWM projects and for your customers? Do you enjoy working with other SAP specialists, confidently guiding them through all project phases, celebrating joint successes and representing your team and your results? Are you also fascinated by warehouse processes and what they might look like in the future? Then you've come to the right place with the SAP EWM pioneers at LogiPlus. Join us as an experienced SAP EWM Project Leader / Manager (f/m/d) on our world tour of numerous exciting intralogistics concerts!

Our genre

LogiPlus has been rocking the intralogistics stage with SAP solutions since 1999. As SAP EWM pioneers, we don't deliver ordinary shows, but warehouse concerts – with a great deal of passion for SAP EWM, MFS, WM, Stock Room Management and S/4HANA. Our repertoire includes classic SAP EWM implementations, migration projects and songs about warehouse automation with solutions such as AutoStore. As an encore, we play our diverse add-ons for optimising warehouse processes – ensuring the perfect sound in the warehouse.

Our band is creative, committed and plays at the highest level – for customers who want to reinterpret the supply chain with us.

The life of the band

- **Teamwork** is very important to us, we stick together and support each other.
- We have an **open-door culture** and **flat hierarchies**.
- **Short communication channels** enable quick and uncomplicated decisions in the interests of our customers.
- Our band members have **excellent opportunities for development** and **freedom** in an exciting and **dynamic project landscape**. This is also ensured by our globally oriented intralogistics concerts.
