

SAP EWM Senior Consultant (f/m/d)

Description

LET'S ROCK THE STOCK!

Have you already been working as a consultant in SAP Extended Warehouse Management (EWM) for some time? And would you like to take on a new challenge? Then the SAP EWM pioneers at LogiPlus are the right place for you. Join us on our world tour at our numerous inspiring intralogistics concerts!

Our genre

We have been revolutionizing the warehouses of well-known companies with our SAP logistics concerts since 1999. We are absolute artists on the instruments SAP EWM, SAP MFS, SAP WM and SAP S/4HANA. We enthusiastically perform our repertoire, which includes classic SAP EWM implementations as well as migration projects, for example from SAP WM or SAP EWM SCM. But our setlist also includes songs on warehouse automation with solutions such as AutoStore. And not to forget – our encore: with our diverse add-ons for optimizing warehouse processes, we ensure the perfect sound in the warehouse.

The life of the band

- **Teamwork** is very important to us, we stick together and support each other.
- We have an **open-door culture** and **flat hierarchies**.
- **Short communication channels** enable quick and uncomplicated decisions in the interests of our customers.
- Our band members have **excellent opportunities for development** and **freedom** in an exciting and **dynamic project landscape**. This is also ensured by our globally oriented intralogistics concerts.

Your appearance

As a band leader, you will be responsible **for managing large national and international projects**. This also includes carrying out business process analyses as well as optimizing and implementing business processes and organizational structures. You will also be responsible for the technical management of **project teams of 2 to 10 consultants and developers**. With your distinctive know-how, you will identify further consulting potential for our customers and create concepts, blueprints and functional specifications. You are an elementary part of our team – we place great value on your ideas, visions and suggestions that provide our customers with tangible added value. With your concentrated SAP EWM knowledge and your many years of experience, you will also actively contribute to technical SAP EWM topics of the future and thus make an important contribution to the further growth of LogiPlus and the success of our customers.
