## SAP EWM Solution Architect (f/m/d)

### LET'S ROCK THE STOCK!

You have several years of SAP EWM experience and a passion for SAP technology? And you are looking for an exciting new challenge where you can really make a difference with your expertise? Then the SAP EWM pioneers at LogiPlus are the right place for you. Join us as an experienced SAP EWM Solution Architect (f/m/d) on our world tour at our numerous inspiring intralogistics concerts!

#### Our genre

We have been revolutionising the warehouses of well-known companies with our SAP logistics concerts since 1999. We are absolute artists on the instruments SAP EWM, SAP MFS, SAP WM and SAP S/4HANA. We enthusiastically play our repertoire, which includes classic SAP EWM new implementations as well as migration projects, for example from SAP WM or from SAP EWM SCM. But our set list also includes songs about warehouse automation with solutions such as AutoStore. And not to forget – our encore: with our diverse add-ons for optimising warehouse processes, we ensure the perfect sound in the warehouse.

#### Band life

- **Teamwork** is very important to us, we stick together and support each other.
- We live a **culture of open doors** and **flat hierarchies**.
- **Short communication channels** enable us to make quick and uncomplicated decisions in the interest of our customers.
- Our band members have **excellent opportunities for development and freedom** in an exciting and **dynamic project landscape**. This is also ensured by our globally oriented intralogistics concerts.

#### Your performance

As an expert for the market-leading warehouse management software SAP EWM, you are an elementary part of our ensemble and become a bandleader right away. Your repertoire includes:

- Management of large national and international projects
- Leading project teams with up to 10 consultants and developers, both technically and organisationally
